

Private Troubadour performances

You have a unique opportunity to offer your guests Slavic songs of the troubadours and their wonderful instrumental music. Whether you celebrate a birthday, spend an evening with friends or organize a business party, live music creates an atmosphere you won't find anywhere else! You can pre-book the troubadours exclusively just for your party.

Below are two sets, which can also be customized according to your wishes.

Slavic night, 3 performers, 4 x 15 min ***Price 676,00€ (545 + vat 131)***

Well-known Slavic songs, instrumental pieces, and a violin performance.

The first set includes instrumental music upon arrival.

The second and third set include vocal music and singing together.

The fourth set includes vocal music, and wonderful romantic and virtuoso violin pieces played by the violinist Artem. In the Troika set you will experience a tremendous amount of skill: singer Nina plays balalaika, accordionist Mikhail plays and sings, and Artemi plays both violin and huge bass balalaika. Furthermore the gorgeous costumes are a joy to the eyes!

In 51 years Restaurant Saslik has grown from a restaurant to an institution. It is one of the best-known restaurants in Finland, also internationally, and a sight in itself.

Saslik's private rooms offer unforgettable surroundings for parties of 2-48 persons for meetings, lunches, festive dinners and family celebrations. Best of all, there is no separate rent for a private room when ordering a menu.

Welcome !
